SCORE CARD

The dildos came out in the April '04 *SCORE* with super-titters Kayla Kleevage (left) and Maxi Mounds doing all kinds of nasty things!

A PUBLIC FORUM FOR READERS' LETTERS, COMMENTS AND SUGGESTIONS.

"JACKIN' ELBOW"

Dear *SCORE*,

I recently purchased the April '04 issue of *SCORE* and wanted to take this opportunity to write and tell you that this magazine is the best in the world. The quality and quantity of the women who are featured surpasses everything else that is on the market. How you can continue to feature new women who are just as spectacular as previous ones is beyond me.

The Kayla and Maxi Strap-On feature was just about all it took for me to get "jacking elbow" from working myself into a frenzy over the dildo shots of these "older" women who look fantastic. Hopefully, there are plans to feature one or the other again.

I nearly fainted from dropping a load of jizz over the Cindy Cupps interview and feature. This woman has got to be one of the all-time greatest women to appear in *SCORE* since L.A. Bust, and that goes back a long way.

There have been many women who have come close to matching Cindy, though none has ever been able to surpass her mix of beauty and body. In my opinion the closest one of late is Crystal Gunns.

"Africa Sex Maniac" has to be one of the best features of an African-American woman you have ever published. She has one of the nicest figures of all the women you have ever featured, and when I got to the picture of her taking the guy's dong all the way down, I lost it right there.

I will remain a loyal fan as long as the quality of *SCORE* continues like it has for the past few issues. I have no reason to spend my money on anything else.–J.T., San Diego, California

SCORE-men love Nadine Jansen, and here's an appetizer from her newest pictorial, cumming soon.

Who's the greatest *SCORE*-girl of all time? J.T. from San Diego can't decide between Cindy Cupps and…

…The legendary L.A. Bust. Looking at the two side-by-side, what do you think now, J.T.?

MORE ANGELA WHITE!

Dear *SCORE*,

Please publish more photos of Angela White in *SCORE*. Even though she is a bit chunky, Angela is every delicious inch a *SCORE*-girl!

Nadine Jansen is not the least bit

She's a "Dream Woman" for many a reader, though one reader isn't too happy about seeing Alexis Love's picture in her girlfriend's diary.

overweight. Her gorgeous face and curvaceous figure have never looked better, and her boobs are incredible. More of Nadine, please.

The April '04 photos of Scotland's Renee are captivating. She is definitely one of the fairest *SCORE*-girls ever. Thank you for showing more of this young beauty.

I would like to recommend two models for possible photographic retrospectives. They are Tori (March '99) and Barbie (Sept. '99). These full-figured, petite beauties were sadly underexposed during their time.–J.T., Chandler, Arizona

"DREAM WOMAN"

Dear *SCORE*,

I am writing in to complain.

I am not too happy with you at *SCORE*, and *SCORE* is no longer welcome in my home.

My name is Jill. I am 47 years old and the cute brunette licking my pussy in the enclosed picture is my

WHAT'S THE DEAL?

SCORE **is searching for the next Linsey, Sharday, Nicole Peters, Ines Cudna, Via Paxton…the next big-bust superstar. And we're willing to pay big bucks to find her!**

So, send in nude photos of your candidates. Polaroids, snap shots and jpegs are all okay. There's no better time to convince that super busty girl you have been admiring that she belongs in *SCORE* because on December 1, 2004, we're going to choose the best busty new discovery and give her a lucrative $20,000 modeling contract.

THE RULES ARE SIMPLE:

Our editorial staff makes all decisions, and those decisions are completely subjective and final. This contest is open to any girl who has not appeared in a magazine. The winner agrees to take an all-expenses paid, working vacation in sunny, beautiful, exotic Miami, Florida, where she will be photographed for five days in our state-of-the-art studio. The winner also agrees to sign *SCORE's* standard model release and have her photos published in the magazine and on our website. This competition is open to all residents of Planet Earth, void where prohibited, 18 years old and older only, more legalese is in the official contest rules, which will be provided to all contestants upon request.

Big, beautiful tits are required. Natural or augmented. So send in your photos and you could well find yourself $20,000 richer! The addresses are: SCORE Model Search, 1629 N.W. 84 Avenue, Miami, FL 33126 or score@scoregroup.com.

lover Jane. She is 24 years old. I love Jane very much and would not do anything to hurt her. Plus, in the three years we have been together, I have never "cheated" on her or even looked at another woman.

The other day when Jane was at the salon getting her hair done, I had just finished washing our clothes and putting her knickers away in her drawer when something caught my eye.

It was a magazine of *SCORE* with a diary next to it.

I was speechless because Jane and I never hide anything from each other. I wanted to put them back, but I just had to look. The first thing that came to mind was that she was seeing somebody else. As I looked through her diary there were pictures on every page of the same woman and a message next to it saying, "Dream Woman" with love hearts drawn next to each message.

Now, it seems I have some competition (which I am not happy about). The woman in question is Alexis Love, and I hate her. I know it is not Alexis' fault because I don't even know her.

Still, I had to put a stop to it, and as soon as Jane walked through the door, I confronted her with the diary and asked her what she was playing. She started crying and told me that while I have been at work or when I was sleeping she would go into the bathroom and masturbate over Alexis Love's pictures.

She also told me that she found one of your magazines on a train, and since that day, she could not get Alexis Love out of her mind.

At that moment, I slapped her across the face, which was a silly thing to do because in the three years we have been together, I have never ever hit her once. I told her that I let her move in with me and even bought her a ring to prove my love for her and this is the thanks I receive for my love and generosity.

She is not speaking to me at all now and won't even sleep in the same bed with me. I told her I don't want her to move out, even if it means her not talking to me.

Well, *SCORE*, I need your help. I know Jane is a big Alexis Love fan, and I want to give Jane something special. I know it may be a bit of a task for you, but could you at least try.

I noticed when reading Jane's diary that she said the best gift anyone could ever give her would be a copy of a magazine called *Modern Man* that featured a much younger Alexis Love. The issue was published in March of 1969.

If you could find a copy, I am willing to pay whatever it costs to obtain a copy of that magazine.

Thank you for your attention to my letter, and I do hope you can help me win back Jane.–J.C., England

"I'm back...!"

ON THE ROAD with Alyssa Alps

"I didn't want everybody to think I had gone off and become a hermit!"

On the road with Nicole Tyler (above), her puppy Ripley (he's so cute, isn't he?!?) and my pal Devon Michaels.

Every SCORE-man's favorite big-boob columnist, with more tit-bits from her wild and crazy life.

Stop! Don't pay the ransom. I've escaped!

Just kidding.

What brought me back into the spotlight again? Well *SCORE*, of course. They missed me so much, they just couldn't stand not seeing me in *SCORE*. That or they had a 2,000 word hole in this month's issue they couldn't fill. The buttheads won't tell me which it is, so I won't ask them any more.

Anyway, *SCORE* told me that they had found some fabulous photo sets of yours truly and since nobody has heard diddly from me in so long, would I write my column for this issue to let everybody know I haven't been kidnapped or gone to prison or, eghads, gotten a boob reduction.

Nope, I still have big boobs. And I love 'em!

And, though I'm supposed to be hiding out in retirement, or something along those lines, to be honest I haven't been hiding very well. I was at the last Gentlemen's Club Expo in Vegas as well as at Big Al's in Peoria recently. Plus, I've been working hard on my website posting my photos and answering my e-mails and my fan mail.

I did manage to dig around in my computer to come up with some fun photos for your viewing pleasure.

So what have I been doing?

Masturbating constantly!

Okay, in all seriousness...

Masturbating constantly!

When I'm not doing that, I basically do everything that I never had time to do when I was on the road traveling all the time.

I travel on my own schedule now, hitting the road whenever I get the urge, seeing family and friends. I often pop in to where they are performing and play roadie for the evening. Yep, I pick up other gals panties now! Not a bad deal if you ask me. I get to hang out in their and the other house-dancers' dressing rooms and see everyone naked. How fun!

I was just best pal Nicole Tyler's roadie at Big Al's in Peoria, Illinois. Of course, we did an 18-hour drive halfway across the country to get there, complete with her puppy Ripley having to be walked in 10 degree weather every few hours, a seedy hotel late-night experience and getting rear-ended in Gary, Indiana at five miles per hour.

Never in all my years living in the Midwest have I gotten to stand in the middle–yes the middle–of I-94 with traffic whizzing by. What a rush!

Unfortunately, Officer "Sweetie Pants," as I called him, didn't have all that much of a sense of humor. He was being a pooper and wouldn't take our picture for the *SCORE* scrapbook, and the guy who nailed us couldn't stop saying, "I don't know what happened, I looked up and couldn't stop."

Yikes, admit it to the world, why don't you! I would have at least said that a squirrel ran out in front of my car or something. What a putz!

Everybody's All American

BORN AND BRED IN THE U.S. OF A.! OUR ALL-AMERICAN BIG-BOOB QUEEN.

Everybody has their favorite model, and here comes one of…all of ours. Alyssa has that round, heart-land-of-America ass and, we've missed her, and… "Nuff said," and move on with the pictures. However, it's been over a year since Alyssa appeared in *SCORE* (May '03), and she hasn't written her column in ages, and she Alps. Normally, we would say, okay, okay…*nuff said!*

We discovered these photos in our vast, million-plus and counting photo library. Never published in the annals of Big-Tit-Dom, circa 1998, just begging to appear in *SCORE*. Fortunately, if you look at some of the topless photos that accompany Alyssa's "On The Road" article this month, you notice that the boobs and the beauty remain the same. And if you actually read the article, Alyssa hasn't changed much either. Fun-loving and always ready to have a good-time, she's loyal to her friends, loves her fans and has an almost quirky mid-western sense of humor that sometimes we don't get, but we always appreciate. Alyssa is an American original, and we wish we had more like her.

Welcome back to *SCORE*, Alyssa. Do us a favor and don't wait so long the next time.

BIG BOOBS IN THE NEWS

A COLUMN BY ELLIOT JAMES

BIG-BOOB SHOCK VALUE

ACTRESS SELMA BLAIR DOES IT IN *A DIRTY SHAME*

In his book *Shock Value*, movie writer/director John Waters devoted a chapter to one of his major influences, big-breast lover Russ Meyer, director of one of Water's favorite films, *Beyond The Valley Of The Dolls.* Impossibly stacked Caprice Stickles is one end-result of that influence.

Actress Selma Blair plays the ultra-busty Caprice aka Ursula Udders in Waters' new film *A Dirty Shame*, in theaters this summer.

This could be John's freakiest movie yet, and, considering his previous films, from *Pink Flamingos* (1972) to *Cecil B. Demented* (2000), that's saying a lot.

Remember Cindy and Zena Fulsom from the early '90s and their gigantic prosthetic jugs? Boob Beat thought of Cindy when we saw this publicity photo of Selma from the movie.

The plot has to do with Caprice and her mother Sylvia (Tracy Ulman), owner of a convenience store, suffering head injuries and becoming sexually demented nymphomaniacs. They join a cult of other similarly brain-injured sex addict cases including Jackass comedian Johnny Knoxville, and they take over their blue collar Baltimore neighborhood. Filmed in Baltimore, the director's hometown, he calls *A Dirty Shame* a "cunnilingus concussion comedy about head injury sufferers with carnal influences they can't control."

It would have been really far-out if some real-life *SCORE* mega-boobers had been cast also. The movie wouldn't have needed a budget for any additional breast prosthetics.

Look for a review of the movie *A Dirty Shame* in a future Boob Beat.

Selma Blair sports a pair of prosthetic boobs for the new John Waters Film *A Dirty Shame,* in theaters this summer.

One of the more famous cases of prosthetic boobs was Cindy Fulsom from the early '90s.

STRIPPERELLA'S BACK TO BUST CRIME

Spike TV ("First Network For Men") is airing a second season of *Stripperella*, part of an adult animation block targeting their 18-to-49-year-old male audience. *Stripperella* initially attracted over 2 million viewers at the beginning of its initial six-episode season of 30-minute shows, but the ratings have seriously spiked downward since then to 200,000.

Erotica Jones (the voice of Pamela Anderson) is a popular stripper at the Tender Loins club in Los Angeles. When her belly ring vibrates, she becomes Agent 0069 Stripperella, equipped with a Laser-Lipstick, the Hair-a-Chute, a Lie Detecting Chest (she can tell if someone is lying when they touch her knockers) and an Under-Tongue Scanner, letting her photograph anything she licks. *Stripperella* is the brainchild of Marvel Comics master Stan Lee, creator of *Spider-Man, Daredevil, The Fantastic Four* and many other successful comic book superheroes.

"After I met Pam Anderson and I found out she was looking for something to do, I thought she'd make a great superhero," Stan told the *Detroit News*. At the time, Pamela (who calls her boobs "Bert" and "Ernie") had wrapped up four seasons of her sexy comedy-action show, *VIP*. The team-up looked like a good match (Anderson had once made a superchick movie called *Barb Wire*) and another plus is the producer and director Kevin Altieri from the great *Batman* cartoon series. Last year, Stripperella battled a mad scientist named Dr. Caesarian who gave women explosive boob implants.

In the new season, which has a different animation style, Stripperella tackles the Werebeaver, Queen Clitoris and other punny-funny evildoers. Will the ratings pick up this time? Or will *Stripperella* be consigned to the valley of forgotten shows? Time will tell.

Pamela Anderson's inspired *Stripperella* is coming back for her second season on Spike TV, touted (appropriately) as the "First Network For Men."

WANTED FOR BREAST-LIFTING

Italian cops are looking for a huge-breasted 46-year-old woman who disappeared from a clinic in Rome after skipping out after undergoing a $7500 boob job.

Police spokesman Adriano Lauro said: "We have issued a warrant for the woman's arrest and also one for her husband following the complaint from the clinic."

Her doctors say that they are also concerned about her whereabouts because she may not be receiving the proper post-operative care.

"She told me that she needed the surgery because she worked in a hostess bar and that clients preferred big chested women," said Dr. Jamal Salhi. "She went from a size four to a size eight which is the largest you can get in Italy. When she came to my surgery, she said: "I want the biggest chest possible." It has since emerged that she gave false information when she arrived at the clinic and apart from running off without paying, as with any surgery she needs to be monitored afterwards."

Dr. Salhi said he's been defrauded before. "This has happened to me several times before. The most recent was last December. A man had a penis enlargement and disappeared without paying. We still have to be paid for that operation."

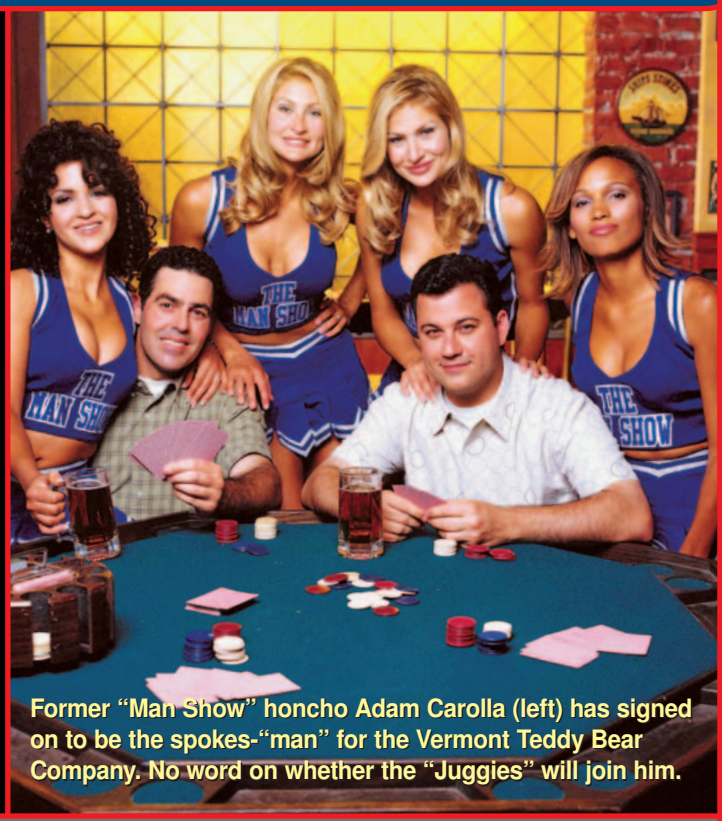
What if the boob fugitive ever shows up at *SCORE* Headquarters? We'd like to photograph her before turning her in.

IS NOTHING SACRED? FROM "THE JUGGIES" TO "TEDDY BEARS"

Former Man Show Host Adam Carolla is now the front man for…The Vermont Teddy Bear Company.

He romped with ultra-sexy, trampoline-jumping Juggies in hot tubs and hotel rooms for four seasons on Comedy Central's *The Man Show*. Now he's going to be a fuzzy doll with no genitals. In disturbing news, Boob Beat's learned that former Man Show honcho Adam Carolla has signed on to be the radio and television voice of the Vermont Teddy Bear Company. The company manufactures over 100 hand-crafted teddy bears, with such offensive names as "The Country Loving Bear," "Mama's Boy Bear" and "Good Wishes Fairy Bear." Since 85 percent of the Vermont Teddy Bear Company's customers during Valentine's Day are males, the company hopes that hiring Adam as a spokesman for their "Send The Creative Alternative to Flowers" campaign will jack up their sales by influencing guys to buy Teddy Bears for their precious wives, girlfriends and favorite lapdancers instead of flowers, perfume, candy and, our favorite gift, 200-proof liquor.

This is a deplorable turn of events for someone who was something of a spiritual man's guru to your Boob Beat columnist and many others. What's next for Adam? Will he give up beer and tacos for apple juice and tofu? Renounce poker as Satan's pastime? The depression mounts.



Former "Man Show" honcho Adam Carolla (left) has signed on to be the spokes-"man" for the Vermont Teddy Bear Company. No word on whether the "Juggies" will join him.

THE LONG LIPS CLUB

"I enjoy seeing an occasional section devoted to your models with long, luscious pussy lips, much longer than most," writes C.J., a Scoreland.com member. "Something about a woman with long lips either being tugged on or spread wide has always been a turn on. Some models that come to mind are the lovely Ines Cudna (right), Cassandra, Plenty UpTopp, Nikki Diamond, Dawn Phoenix (left, with perhaps the longest), and the always exquisite Casey James. All of whom are sporting some of the longest lips I've seen over the years! If you can accommodate the Long Lip Lovers out there, you will once again be adding another notch in your belt!"

Another web whacker, D.M., wants us to "ask the ladies to stretch their inner labia as far as possible and include interview questions about labia pulling."

Okay, boys, try these photos of Ines cudna and Dawn Phoenix for starters.

BOTOX BOOB LIFTS

Botox can perk up saggy breasts claims Dr. Kevin Smith, a dermatologist in private practice in Niagara Falls, Ontario, Canada.

Botox is a powerful muscle paralyzer used primarily to cosmetically treat facial wrinkles. It has received widespread acceptance in America, and Botox treatments are advertised in pretty much every major newspaper.

Dr. Smith says Botox changes the balance of muscles between the chest and back. He injects the substance into the pectoralis minor muscles in the chest. The Botox makes the muscles relax, which allows the rhomboid muscles of the back to keep the shoulders erect and lift the breasts. In essence, the drug makes a person stand taller which makes the chest stick out. The effect lasts for two to three months but the improvement in posture can last about six months.

A potential (and kinda nice) side-effect of the treatment is three to four weeks of constant (and erotic) nipple erection because Botox blocks the release of neurotransmitters in the area of the nipple.

Dr. Smith's research indicates that the best candidates for a Botox breast lift seem to be women with an A or B cup size and who are between the ages of 30 to 55.

TWIN PEAKS LAW STRUCK DOWN

The personnel department of the Hunan government in central China recently terminated a policy that its female civil servants must have "symmetrical breasts."

Exactly how government officials would determine the symmetry of a potential employee's breasts is unknown, but it probably involved intensive hands-on examination.

The rule was in place for several years according to the *South China Morning Post*. A female university graduate alerted local media to the sexist policy and the resultant public furor led to its elimination.

Boy, those symmetry testing guys must be really pissed at her.

GETTING HOTTER WITH EVERY PICTURE!

It's hard to top Crystal Gunns. *SCORE's* 2002 Newcomer of the Year, a top five finish in the 2003 Model of the Year contest, star of a best-selling video *(Busty Dildo Lovers #5),* and Crystal is so in demand to feature dance around the country, she actually has to turn down gigs. Wanna know the good news… Crystal is just getting warmed up!

Ironically, although Crystal is one of the new Gunns in the big-bust dancing world, she considers herself "old school." Crystal doesn't do porn and has no plans to. Instead, she wants to focus on her dancing and posing. "Like the models of 10 years ago. The Pandora's, Traci's and Dusty's…They're some of the best of all time. And they did it right. You treat guys with respect, show them a good time and try to be the best performer and model you can. Guys have compared me to some of the all-time greats, and I think that if I could just be even close to as good as they were, that's saying a lot." Close? Crystal, the way you're going, everybody else in big-boob history may be playing catch-up.

The Bra Man Cometh...

It was a tough job, but somebody had to do it!

Erotic Fiction By M. DUBROW

"Are you the Bra Man?" I asked.

I knew he wasn't, but he was the only other person in the narrow shop dominated by floor to ceiling shelves overstuffed with countless thin rectangular boxes. He was too young and far too cute to be the Bra Man.

The article I read about this discount lingerie shop included a photo of the legendary Bra Man, a middle-aged overweight Orthodox Jew who had the uncanny ability to look at any woman and tell immediately what size bra she wore. He shouted it out like a carnival barker guessing your weight, only he was always right.

You would think nobody would be better at determining what size bra should hold a woman's breasts than the woman herself. But you'd be wrong. We totally suck at picking out what's best for ourselves, which might explain why we end up in so many fucked-up relationships.

Wearing the wrong bra, like dating the wrong man, can lead to years of cut shoulders and misery, especially if you have large breasts like mine. Large isn't a big enough word to describe them. Huge, honking, come to mama, bigger than your head breasts is more like it. The kind men worship and girlfriends envy. No frilly thing from Victoria's Secret was going to hold these boulders.

From the way he was staring, I could tell the cute guy liked my impressive rack. I could also tell he was sweet from the way he tore his deep-brown eyes away from my tits to look me in the eye when he spoke.

"No," he said. "That's my father. He's gone for the day. You know, it's Friday."

Oh fuck, it was Friday afternoon. Every Orthodox Jew in town had already closed up shop for the Sabbath. That meant he also wouldn't be in tomorrow. I was devastated. I didn't live in this neighborhood. I had no idea when I'd find the time to come back for my perfect bra.

ILLUSTRATION BY OTIS SWEAT

"Then what are you doing here?" I asked. He had the dangling sideburns and the beanie of an orthodox man.

"I'm running a little late today, so sue me," he said with a shrug. "And don't tell my father, but I don't take the rules of Sabbath as seriously as he does. For instance, if a customer like yourself needs help, then I'm willing to stay past sundown to attend to her needs."

This was an interesting twist. I've always been impressed with how special these guys treat the time in between sundown on Friday to sundown on Saturday. I didn't know how to react to one who was willing to bend the rules.

"Is there something I could help you with?" he asked with a sly smile.

I saw where he was going. It was the end of the workday. We were alone. There was little chance of another customer coming in.

I was tempted. He was seriously cute, and his appreciative ogling of my tits had already gotten my nipples erect. But I really needed a bra. The boy was going to have to work for his reward.

"Do you have the same gift as your father?" I demanded.

"For determining a woman's bra size? My methods are different, but, yes, I can tell you what your correct size is. What size do you wear now?"

"38 Double D."

"No, that's not right. I would guess you're closer to a 40 Triple D."

"What do you mean, you'd guess? Don't you know for sure?"

He gave me that sly smile again. Had I fallen into a trap?

"Like I said, my method is somewhat different from my father's. He can tell by looking," he said, stepping close enough for me to smell his cologne, musky with a hint of tangy citrus. "I can tell by touching."

My heart started racing and I felt an itch between my legs.

"Is there some place we can go that's a little more private?" I asked huskily.

He quickly stepped around me and locked the front door. There was no turning back now. With a nod of his head, he led me to the dressing room.

It was only the back end of the store with a heavy flowered sheet as a door and a cheap full-length mirror propped against the wall. There were more shelves with more boxes along the walls. The room was so tiny we were forced to stand within inches of each other. It had a cheap dirty feel to it that increased my excitement.

"Okay, why don't you take off your shirt and bra," he demanded.

I slowly unbuttoned my shirt and felt a tingling cool breeze as I slid it off my shoulders. He breathed in deep and held his breath as I pulled my bra straps down one at a time, allowing one of my large firm tits to pop out followed closely by the other. My nipples pointed out hard and ready. He let his breath out with an appreciative sigh.

He reached out and cupped his hands around my tits. His touch was firm. Fingers slid around the full width of my massive flesh. His thumbs teased my nipples for a mere second before they flitted away.

"I was right," he said, "40 Triple D. Wait right here."

It wasn't until he had spoken that I realized that I had closed my eyes during his breast examination. I had been savoring the sensation of his fingers. When I opened my eyes, I found I was alone. I wanted to go find him. I wanted to make him touch me some more. But I needed a bra more, so I waited.

As I stood there, topless, I wondered how many women had been in this cramped space before me with their tits hanging out, waiting for the Bra Man to return. I scanned the walls for a security camera. Nothing would piss me off more than to find photos of my boobs on the internet. Especially if I didn't get paid for it.

There was no sign of a camera, but I found a framed photo hanging between the shelves. It was a picture of a man and a boy. The resemblance between them was obvious; this was a father and son. They wore prayer shawls over their black suits. I could only guess from the proud smiles on their faces that they were celebrating the boy's bar mitzvah. The man I recognized as the Bra Man. The boy was a younger version of the

COURTESY OF MISS NUDE USA AND *SCORE*-GIRL BRITTANY LOVE

It takes a *SCORE*-girl to know a *SCORE*-girl, and this one comes courtesy of Brittany Love, a two-time Miss Nude USA (2001-2002). She was feature dancing in Louisiana when, lo and behold, Britt spotted… *them.* Pendulous and full with dark, round nipples. Being known to dabble in the fairer sex, Britt finished her performance and then moseyed on over to the housedancer and introduced herself. A couple of hours later, Britt was directing, her manager was shooting and… Krystal was becoming a *SCORE*-girl.

Having never even dreamed about being in a nudie book, Krystal was a bit unsure of exactly what to do in front of the camera. So, Brittany handed her some copies of *SCORE*. Krystal studied the girls in the magazine, handed it back and said, "No way. They're so out of my league, I shouldn't even try. *SCORE* will look at my pictures and laugh." We just don't get that. Why is it that hot chicks like Krystal always think they're woofers? After much reassuring from Brittany, Krystal followed her advice ("Just have a good time!"), and, well, here you go...a good time, for Krystal and all of us!

With some Native American blood running through her boobs, Krystal has that exotic look that guys dig in this world of waifish, carb-counting blondes. And here's an added bonus…Krystal is actually a nice girl. Very down-to-earth and a good conversationalist, she's practically famous at her club for turning down tips when dancing. And talk about humble pie. "Special K" (the nickname Krystal's mom calls her) doesn't even want us to publish her club's name. "I'd be embarrassed if guys came in with the magazine! I don't know why. I just think all the attention would be embarrassing." Good luck, boys. Happy hunting!

Alyssa Alps

Continued from page 12

Well we made it in one piece and had a super time, of course. Another of my best pals, Devon Michaels, who lives nearby, came over to visit with us so you know I definitely had a great visit to Illinois.

The last Gentlemen's Club Expo was a super time as usual. I was working as a production person of sorts, as usual, but made every effort to have a bit of fun. I took a few afternoons at the Caesar's topless pool with my pals who had a daily cabana. Cabana pooling is the only way to go!

My roomie, Devon Michaels, who has become an accomplished porn star, had plenty of her adult industry friends stopping by our room. I must tell you, that Brad Armstrong is one heck of a guy! What a looker and so polite and self-assured. I just love him! Our pal Exotica was by often–what a woman! Need I saw more!

Of course, I had a few of those crazy nights that ended some time the next morning. It's a good thing that I have plenty of good friends to look out for me, as I slumbered in their rooms a few times.

And here's some Vegas trivia I discovered. Did you know that the Crazy Horse in Vegas (I think, or one of those tawdry places) uses the name The Power Co. Inc. on their charge card receipts? This is code for, "Don't let my mate find out," I guess.

I did see many of my fabulous fans out there at the Fan Fair weekend of Expo. I was assured by all that they were happy with the venues and events that I had worked so hard on. I just love my fans. They're so flattering!

The latest fun thing that I have done is go to Atlanta to do some new photo sets for my website. Yep, my site is still going strong. I post about two sets of photos twice a month, and I'm always working with my Webmaster on some thing or another for the site.

One thing I don't have anymore is a live chat, and I don't plan on bringing it back. It was just too hard with my fans being all over the world. I just wasn't making many of them happy with my chosen dates or times.

I do answer my e-mails as often as I can, as well as most snail-mail fan mail, so write me, puhleeze! And include a return stamp, dammit! A girl can go broke going to the post office every two or three days.

Let's see what else is new...some SCORE-guys keep asking for a Donkey Show, but you know I have to pooh-pooh that idea. No animals. Just guys hung like donkeys!

I'm planning on being at the Expo 2005 in Vegas at the end of the summer, so if you show up in an "I Love Alyssa" T-shirt, you might get lucky! Remember, though, what happens in Vegas stays in Vegas. Unless, of course, I get to write about it for *SCORE*.

I'll see all of you there. And on my website. How do you find it? It's a toughie. E-mail me at Alyssa@AlyssaAlps.com, and I'll help you out.

Bye now...*Alyssa Alps*

THEY GROW 'EM BUSTY DOWN IN TEXAS!

Ya gotta love Texas girls. L.A. Bust hailed from the Lone Star State. Ditto for Vicky Vann. Colt 45 has the "Best Chest In The West." Now, here cums Mariah Lynn. Boisterous and busty, smart and sexy…What can we say about this Austin student except, "We're hooked!"

Still in college and, more importantly, still sporting those all-natural 36DDD's, this is Mariah's third *SCORE* appearance, and we can't promise there will be many more. She's getting ready to graduate and work in the…oh, ain't this just perfect…hospitality management field. Working the nightshift managing a hotel. THE BRA MAN

Continued from page 34

man I was waiting for. He had the same curly hair and sly look in his eye.

I felt oddly embarrassed with them smiling down at me. Reflexively, I covered my exposed nipples with my hands. I wondered why it was taking him such a long time to find those damn bras. I was thinking that maybe this wasn't such a great idea. I was about to reach for my shirt when he returned.

In his arms was a stack of rectangular boxes. Inside each was a 40 Triple D bra. They were a rainbow of colors. He made a big show of opening one box, which contained a sleek black bra that managed to look sturdy and sexy at the same time.

I tried it on first. It was amazing. It fit perfectly. For the first time in decades my breasts were lifted and separated and comfortable. I tried on another and another, each with the same result. I found the perfect bras. I thought I was going to pass out right then on that filthy floor.

"Now, keep one thing in mind about these bras," he said cautiously.

"They turn into pumpkins at midnight?" I asked.

"No," he said, as he avoided the obvious pumpkin joke. "Remember that these are discount bras."

"Does that mean they're no good?"

"No, they're good bras. They're great bras. Just as good as the ones you buy in the finest department stores. Only these bras cost thirty percent less."

I swear to God, I came in my pants right then and there.

"Could I wear one of these home," I asked. "I mean, after I pay for it?"

"Of course," he said. "We aim to please the customer."

"Could I give the salesman a tip for all his hard work?"

"Sure," he said. "I want my customers to be happy."

I pulled him to me and slid my hands down around his small tight ass. His lips met mine, and his tongue snaked its way around mine. He reached his hands around my back and in one deft motion undid my bra and slipped it off. He really was a bra man. The industrial hooks that come with bras like mine are a fortress of steel. He had this one off like he was peeling Velcro.

He brought his hands around and grabbed my tits hungrily. His touch was urgent but never painful. He bent his head down and sucked on my red aching nipples. I thought they would burst, they were swollen so full.

His tongue played equal time with each stiffened nipple. I reached down for his crotch. My fingers slid around his trapped erection. He wasn't the only one who could tell someone's size by feel. Seven and a half inches was my educated guess. I unbuckled his belt and savored the sound of his zipper coming down. He took a step back and yanked his pants and tightie whities down to his ankles. My size prediction was correct!

He undressed completely and made a bed on the floor with his clothes as his erect penis bobbed up and down. I took off the rest of my clothes and tossed them on the floor. We stood for a moment and admired each other's bodies.

I kneeled down on the floor in front of his crotch. I watched his face as I took his penis in my hand and licked my lips. He moaned softly and his penis squirmed in my fist. I love that first sensation of putting a hard prick in my mouth. The salty taste of pre-come, the urgent throbbing, the yearning to begin the painful pleasure. When I put a man's dick in my mouth, I own him.

I sucked him until I had covered his penis with a good glistening coat of spit. I popped it out of my mouth and placed it between my tits. I pressed them together to make a nice snug cave. His eyes squeezed shut as he titfucked me furiously. I wanted him to fuck me in the worst way but the thought of him spewing hot sperm all over my massive breasts had its appeal too. Fuck it! Go with the moment. Whichever way he came, I was going to enjoy it. From the way his penis was quivering, it was going to be soon.

He pulled away from me at the last possible moment and kneeled down on the floor next to me.

"Get on top of me," he demanded in a hoarse whisper. "I want to play with your tits while we fuck."

He lay down on the floor, his dick a flagpole standing at attention. I straddled my firm legs on either side of his slender hips and guided the purple head of his dick to my tender cunt-lips. For a moment, I held him there at the entrance of a cave that led to the core of

my desire. We both ached with the need to fuck our brains out. In one quick motion, I sat down on his pelvis. My pussy gave no resistance. Slick with natural lubrication, it opened freely and easily as I impaled myself on the full length of his rigid cock.

I threw back my shoulders and grabbed his thighs for support. Foreplay was over; I was riding his dick as hard and as fast as I could go. My thoughts blurred as flames burning from my crotch to my lips consumed my body. I felt his hands roaming over me, squeezing the fleshy cheeks of my ass, pinching the erect nipples of my enormous breasts, and gripping my hips so he could grind into me harder and harder and harder.

I could feel an orgasm volcano growing inside me. The kind that when it erupts, it makes your hips shake, your bowels wink and your tongue hang out the side of your mouth. But it was a slippery thing hiding inside my womb, so I used his stiff pole to hunt it down. I sped up the rhythm of our fucking so it wouldn't get away. The sound of our sweaty wet bodies slapping against each other made me think of a galloping stallion racing for the finish line.

I looked up and noticed the framed photo again. His father's face beamed with pride. What would he have thought if he could have seen his little boy right then?

"When you gave your bar mitzvah speech," I said between ragged breaths, "did you start with the words, 'today, I am a man'?"

A grin spread across his face. "Yes, I think I did."

"Well, today, my boy, you are THE MAN!" I shouted.

My first orgasm shivered up through me and released so fast, I almost didn't realized I had come until I felt the next three ripping through me. I couldn't stop coming. My cunt juices dribbled down his balls and left a puddle on his clothes beneath us. It was like we were swimming in our combined body fluids. I laughed, a mixture of relief and joy. He grabbed my tits firmly and I grabbed his wrists for support. We didn't want to slide away from each other. We weren't done yet.

I felt something hit my head. It wasn't hard or heavy, just annoying. Then another and another. We were thrashing

Voluptuous VIXEN

SHE LOVES BEING CALLED A *SCORE*-GIRL!

Man, we love Vixen LaMoore. Not just because that chest arrives about five seconds before the rest of her, though that's a pretty damned good reason. Not because she says her boobs can "tear a new bra apart!" (Looking at her cleavage in this top, we don't doubt her!) No, we love Vixen because she loves us. When you talk to her and mention *SCORE*, she gets all giddy. When you go to her website, she proudly tells the world-wide web, "I'm a *SCORE* model!" Say it with pride, Vixen, because you are a *SCORE*-girl, and then some!

Now, we all love big boobs, and Vixen definitely has that area covered. As for fresh, snapper poontang, have we mentioned that Miss LaMoore is getting ready to celebrate her 23rd birthday (June 23)? But what about personality and brains? Go to her website and surf around a bit. Vixen reviews movies, writes articles and has a satirically funny sense of humor. If you ever meet her and can somehow take your eyes off her tits, strike up a conversation. Trust us, you won't be disappointed!

THE BRA MAN

Continued from page 70

around so violently that we were knocking the rectangular boxes of bras off their shelves. Black bras with delicate lace, sturdy, white sports bras, simple flat training bras, purple and misty green full cup bras and coral bras with hidden supports and a cute red rose stitched between the cups littered the floor around us. I was glad I wasn't going to be the one who had to clean up this mess.

That would be the sweaty man below me. I looked down into his eyes just as he was about to come. His face was flushed and his eyes were glazed with sweet agony. His dick wanted release but his body kept holding back until the last possible moment.

Then he exploded inside me. His molten sperm gushed into my cunt, causing me to have one last shaking orgasm. Then I collapsed on top of him, sweaty and spent. My body jerked from the tremors of mini orgasms, like little earthquakes.

We lay there in a heap, holding onto each other as our bodies cooled. Slowly and reluctantly, I peeled my sweaty, sticky body off of his and surveyed the mayhem our fucking has caused. It was a wonderful mess. I had that big stupid grin on my face, the one you get after a really good fuck.

I looked down at the man who had given me this sexual satisfaction. He was still sprawled on the ground with his eyes closed, cradling his head in his hands. He seemed mighty proud of himself. He should be. Despite the ache in my ravaged cunt, I felt the urge to start all over. Maybe some other time.

But then I looked at his long curly sideburns and his beautiful circumcised dick. We were from different worlds. He was an orthodox Jew. I wasn't. If he brought me home to meet his parents, they'd disown him on the spot.

Damn, I only went in there for a proper fitting bra. I didn't need to take that kind of shit home with me. I put the whole idea out of my head. It was a great fuck, leave it at that.

"So what do I owe you for the bras?" I asked after I had dressed.

"Just your phone number," he said.

"Are you sure about that?" I asked. It hurt knowing that even if I gave him my

number, once I was gone, he'd realized he could never call me.

He must have known what I was thinking. He said, "Yes, I really am. I haven't decided if this is for me yet."

He held out his arms like he was referring to the store, but he was talking about so much more.

"I think a woman like you might help me decide where I belong. It's a bit much to ask, I know."

"Don't say anything more," I said as I reached into my purse for a pen and one of my business cards. I wrote my cell phone number down on the back.

He slipped my card carefully into his breast pocket. As I turned to leave, he gently put his hand on mine.

"Would you by any chance be in the mood for…you know," he said with that same sly grin.

I felt that itch between my legs again. Besides, I wasn't in a hurry to get anywhere. This time we made love slower and with more deliberation. He climbed on top of me, and I wrapped my strong legs tightly around his waist. He nibbled my swollen nipples, as I dug my fingers into his soft curly hair.

I thought I would be too sore after the ravishing he'd given my pussy earlier, but I was wrong. He prick slid into me like it was coming home. His balls bounced against my ass as he picked up the pace of his thrusts. I also thought there was no way I could have another orgasm. Again, I was wrong.

My orgasm vibrated through me from my ass to my toes, and back up to my tits and my scalp. He came with me, his hot and gooey sperm shooting deep into my womb.

Afterwards, I stood up and my legs were wobbly. My pubic bone was rubbed raw. It was the kind of ache you get after a really good workout. I had on just my panties and was about to decide which of my new bras to wear when he presented me with a gift. It was a beautiful, full figure red lace bra with the softest shoulder straps I've ever touched and an embroidered heart between the cups. I tried it on. The weight of my breasts was magically gone. It was like someone had wrapped them into a silk hammock and was carrying them for me. After I finished dressing, I gave him a long lingering thank you kiss.

And then I left the store with my new bras, and someone who might just be a perfect fit for me.

SCORECARD

Continued from page 8

Dear J.C.: We don't have a copy of Modern Man *in our office, and we searched on E-Bay for a collectible copy, but couldn't find one. Still, don't you think a more touching present might be "Jane" reading your letter in* SCORE *where you bare your soul? If that doesn't "win" her affections, we don't know what will.*

THE BEST HARDCORE EVER?

Dear *SCORE*,

I've just recently bought the last three issues of *SCORE*, and I haven't been able to stop masturbating!

I only buy the hardcore edition nowadays, and living in England, this requires a train ride to my favorite licensed sex shop in Soho. I would urge all of your other English readers to do the same, or take out a subscription because the hardcore editions are so much better and hotter!

The layout of Marketa in the March '04 issue is the best hardcore you have ever published. She is so damned sexy and looks incredibly hot with a big, stiff cock in her pussy and mouth! The anal shot on page 15 is awesome; stockinged legs spread wide to reveal a juicy pussy as she's being fucked in the ass, and those lovely suckable titties on full view. I had to start jerking off over that picture right away!

I've been reading *SCORE* and *Voluptuous* regularly for four years and adore the naturally busty girls you feature like Lorna Morgan and Danni Ashe (which is why I loved the Feb. '04 issue), and now the lovely Marketa is amongst my faves, thanks to her raunchy pictorial. And she's a nurse? It just keeps gets better and better!

Another highlight of that boobtastic March '04 issue is the layout of the mega-stacked sweetie Minka. Sure she's been appearing in *SCORE* since 1994, but her appeal has never diminished, and I don't think I've ever seen her look so gorgeous! She is an Asian angel, and dreaming about having those big, beautiful boobs wrapped around my stiff shaft is a fantasy I never tire of.

As if Minka and Marketa weren't worth the cover price alone, when I turned to page 69, it was instant hard attack time (again)! Newcomer Darby

is simply gorgeous with a sensational pair of tits. Sitting in the back of a limo wrapped in that pink feather boa and wearing nothing except bra and panties, she looks totally fuckable. I have to say thank you to "T" for sharing his luscious girlfriend with his fellow readers of *SCORE*. If Darby and our man "T" are up for it, how about some hardcore? I'd love to see an assortment of the 'crazy, freaky positions' she talks about!

I'd like to praise the April '04 issue, too. The *Xtra* section, and in particular Africa's cock-sucking antics, set me jacking in my boxers like a sex-crazed madman. The point-of-view style picture of her being fucked from behind on page nine is my favorite though, with her head turned to look into the camera and those shapely ass cheeks that I'd love to cum all over raised tantalizingly in our direction! It would make a great center spread, or better yet a life-size poster!

I also enjoyed seeing the cute Iva getting her pussy and ass stuffed just as much, and the final photo of her with her boobs glistening with cum is a wonderful, cock-hardening sight!

As well as getting off on all of the cock-sucking, pussy-pounding, ass-fucking and titty-wanking XXX hardcore in the *SCORE Xtra* section, I was delighted to see the return of the elegant and sexy Rebecca Pauline. She is a cumplete babe!

Girl-girl and hardcore are great, but I love solo posing just as much, especially with someone as desirable as Rebecca, who can turn a guy to jelly with a simple, seductive look at the camera. Her dildo shot on page 57 is one of the best I have ever seen!

Thank you to all the beautiful, big-boobed women who want to share their amazing bodies with us readers, and to *SCORE* for simply being the best big-tit magazine ever made.

Keep up the good work and I will keep on wanking! Thank you.

XXX NEWCOMER SHAUNA BANKS

INTERRACIAL HARDCORE

BANK SHOT

A NEWCOMER GETTING FUCKED HARD IN HER WORLDWIDE XXX DEBUT!

Lock-n-load *SCORE*-men. It's *Xtra* time, and Shauna Banks is in the house and fucking all over it! Shauna, *who?* She's a newcomer, but she fucks like a pro! Boob Beater Elliot James saw Shauna on Fort Lauderdale Beach, using one of those public showers from a Spring Break movie. Barely dressed in a string bikini and glistening with oil, Elliot couldn't help himself. He passed Shauna his card, went home and prayed. Within two days, he was a happy guy. Shauna was in our studio, and she was saying those magic words…"Yes!…Yes…*Yes!*"

CHECK LIST

SHAUNA BANKS

AGE: 27 **BIRTHDAY:** March 12, 1977
HEIGHT: 5'3" **WEIGHT:** 116 lbs.
MEASUREMENTS: 38-26-32
BRA SIZE: 34D
BORN & LIVES: Fort Lauderdale, Florida

A Fort Lauderdale native, Shauna actually asked us if she could do XXX hardcore. Apparently, Shauna is like the millions of Americans who see porno stars on TV shows like *Howard Stern* and *E!,* and she has become fascinated with the whole porn phenomenon. So much so that she's had this fantasy of what it would be like to fuck a porn guy. No problemo, Shauna. A plane ticket for a So-Cal pistolero later and Shauna was living out her fantasy. So, Shauna, what was it like? "Awesome. Totally awesome. I don't know if it was the guy, but more the whole idea that everybody in America, and the world for that matter, would be seeing me having sex. My friends have all told me that I'm a 'tease,' and I guess I am. Although, this was the ultimate tease. And it was so hot; so exciting? I know guys live out their fantasies with magazines like *SCORE*, and I think that's cool. But, how many girls get to live their fantasy the same way? I mean, *really* live it?" Glad we could be of service, Shauna.

BLACK & STACKED Xtra #3

VIDEO REVIEW BY DIRTY BOB

Cassitty, whose name appropriately sounds a lot like titty, starts the boobs bouncing in this wondrous excursion into the world of healthy black women whose massive mammaries are incredibly squeezable and fuckable. Produced by the big-boob hounds at *SCORE,* who know how to showcase busty babes to their fullest, this is one tape that fans of this type of entertainment should not hesitate to own.

SCENE ONE: CASSITTY

Pity poor Cassitty.

This dedicated career woman has gone out of her way to dress ultra-conservative at the office. She piles on layers of clothing to hide her incredibly large breasts, but her boss, Mr. Titlicker, sees through this facade and demands that she change her dress habits. She agrees, and with his eager help and shaking hands she does a slow peel right there in the office.

His choice of attire is a nearly transparent red mesh outfit and high heels, but they don't stay on long. His groping hands and salivating tongue soon engulf, or attempt to engulf, her huge monster boobs. Titlicker gets his suckling fill and clears the desk where Cassitty tit-fucks him with ease. She adds lip service to the titty play, and, at one point, she beats his cock while wildly swinging her hanging boobs back and forth across his hard meat. Think of this as a triple play on her part, blowjob, titfucking, and a handjob all rolled into one. Her oral actions last a long time and wind up being very wet, with dripping saliva coating his shaft and her chest.

The bouncing boobs really get going when Cassitty rides astride him for some girl-on-top fucking. Along with the screwing comes an abrupt change from quiet office gal to loud, dirty and very verbal black slut. Titlicker then takes her from behind, pulls her hair, and squeezes and licks her boobs at the same time. Cassitty then lies back on the desk, and, with her bouncing boobs flopping all over the place, he takes her in a more traditional manner. She adds nipple stretching and pulling to her self-stimuli and changes position to get it from the side.

Batting leadoff on *B&S Xtra #3,* is the superstacked Cassitty, who also does a threesome with Africa, fucks and sucks solo and is also featured in a DVD bonus interview. With tits this suckable, even with all of this sex-action, you'll be wanting more of Cassitty.

Cassitty proves her value to the office by getting on her knees and delivering a no-hands oral treat for her fascinated boss. As everyone knows, you can only take so much before you have to pop, and Mr. Titlicker holds out much longer than a mere mortal man could expect to last in a scenario like this one. He ends things by whacking off on her immense chest while she looks up and gives him encouraging direct eye contact to accompany her demands that he cum on her tits. For this brief moment, she is in total control of this spellbound guy, and her dripping wet breasts and statement, that from now on she plans to dress sexily, are met with his approval.

SCENE TWO: CARMEN

Carmen takes center stage in the second scene of this mammary epic. She is a dream date in a short, shirt skirt and skin-tight red top and tells her new blind date Steve that she is tired of the dating ritual bullshit and just needs to get fucked.

No problem.

This, like all of the scenes on the video, is interracial. In heels, Carmen towers over Steve like a condor ready to pounce on its prey. She is horny as hell and makes it clear that she isn't afraid to reach out and engulf any male meat within plunging distance.

And Carmen does just that.

The lucky stiff begins by turning her towards the camera, still clothed, and spends a long time reaching around and squeezing her breasts through the top. Finally, the dude can't wait any longer, so he yanks off the top and repeats the groping process on bare skin.

Feeling it is now time to suck tit, Steve puts a lip lock on one as she sucks her other dark nipple at the same time. He then sticks his head between her legs, pulls up the skirt and goes down on this pantiless lass. She returns the favor with a long, lingering and loving blowjob which is shown from many different angles. He then pounds his pud on her breasts and energetically fucks her tits like the boob-loving madman in all of us. The bedsprings strain to their breaking point and squeak continuously as he slides his long dick in and out of this mammary love tunnel.

Carmen needs dick in her pussy, and he happily complies. She lies back on the bed, legs spread skywards, and Steve maneuvers his ruby red reproduction rod into the folds of her very tight pink pussy. Carmen can't control

Chaka T. (right) is another super-stacked natural who takes a pounding on *Black & Stacked Xtra #3*, as does *Hard SCORE*-girl Carmen (bottom, left) and Vanessa Blue (bottom, right), who not only takes it in the ass, but also gives one of the sloppiest, wettest and deepest cock-sucklings of all-time!

Cassitty (right) gets her fucking good in *Black & Stacked Xtra* #3. In the threesome, it's Africa's turn to get her body worshiped by man *and* woman.

herself at this time, and she gives him that eye-contact look that states that she just wants to be used and drilled and the hell with the consequences. Naturally, the fact that she is very top-heavy comes into camera play, and her tits jiggle like a tub of dark Jello.

More close-ups of the insertion follow her rhythmic movements, and he takes it deeper and deeper. They eventually switch to doggy, and her chest sways back and forth like a pendulum moving at high speed.

A bit winded but still rock hard, Steve then has her ride him in both directions, and she even manages to turn around while fully impaled on his cock. They then assume the pussy-up-in-the-air pose as he piledrives downward thrusts into her open and very wet pussy. A final, long oral finishes their screen time as he shoots on her sweaty tits.

It should be noted that Carmen is an utter delight to watch. She is always smiling, or at the least gritting her teeth in passion, when her stud pays any attention to any part of her curvaceous form. Very vocal, she makes it obvious what feels the best from his boffing. Although it is a long scene, one comes out of the experience with the feeling that she could have continued at the same hot pace for hours.

SCENE THREE: VANESSA BLUE

Vanessa Blue's incredible scene is a must-see. Playing the role of a bespectacled boss, she brings in her employee to verbally chastise him for peeping and bathroom voyeurism.

However, while giving him hell for his actions, she sits on the desk, legs

open, and teases him to no end. Vanessa pulls off her top, revealing her perfectly-shaped jumbo-sized hooters, and tells him that his problem is that he can't control himself.

She rubs her huge globes lightly across his face in an act as cruel as putting a steak in front of a starving person. She finally gives him a brief, but delicious taste of her chocolate nipples, traps his head in between her tits and nearly smothers his face.

She then instructs him to use one hand only and squeeze her right breast. Eventually he takes liberties and strips her out of her clothes. She then, again, smothers his face in tit-flesh and requires him to eat her ass and pussy.

Now it is his turn, but she is still in control. His pants come down and his hard dick snaps to attention in her hands, and she jacks and noisily sucks him with her wide-open lips.

This is where another of her talents emerges: she deepthroats him repeatedly until many strings of saliva ooze down from her lips like a spider's web.

Kinda artsy stuff.

She then titfucks him again and eventually turns around for some actual in-pussy screwing. The position they start with is doggy, and her firm, tight breasts barely shake as she pulls backward and forward over his cock.

Vanessa then finally gets completely naked and positions him on the office chair as he points skyward so she can ride him. Close-ups of both the insertion and his boob-squeezing shift to a long shot of the entire action.

They get into it so much that she loses

VIDEO REVIEW

Continued from page 11

her glasses, but doesn't miss a stroke as feeling takes preference over seeing in her dirty book.

Vanessa isn't a small gal, and those are not lightweight breasts by any means, but the guy manages to stand while she is impaled on his dick. They find themselves in a long, standing fuck with him fully supporting her weight with his muscles and male anchor. He finally leans forward and, while still firmly in her pussy, lowers her to the floor and alternates between plunging into her wet, moist cunt, between her tits, and into her mouth. Mr. Muscles then reaches down, picks her back up, and places her on the desk where he continues his horizontal thrusts.

Since the time is ripe, Vanessa Blue really opens up for him and lets him slide up in her ass for a sizzling anal. She then leans forward, and he continues to take the backdoor route as she fingers herself close to orgasm. One last anal angle before the finish has her bouncing away again on his lap.

The ending is traditional and expected: amidst lots of dirty talk, he shoots the sticky, sloppy stuff all over her big breasts and even manages to get in some post-orgasm titty sliding.

This last part, where Vanessa is seen staring into his cock while she fondles her own cum-covered breasts, is an excellent place to fade to black.

Rated a "must see" by famed video reviewer "Dirty Bob," Vanessa Blue takes a three-hole fucking and has a cocksucking that is destined for legendary status; she's that raunchy.

SCENE FOUR: CHAKA T.

Chaka T. commandeers the next scene. Attired in a white lacy bra, she talks to *you*, the viewer, and makes it appear that you are completely in charge of her pleasure.

Very large breasts, topped off with great nipples, make a great target for

baby oil, and suddenly *you*, the viewer, appear in the form of hands which add oil to and caresses the globes.

This goes on for an erotic eternity until the illusion of the viewer having fun dissolves when the guy attached to the groping hands is revealed. This silent dude replaces his hands with his mouth and gives each mammary a lot of sucking and loving attention.

The camera work then switches to *your* perspective and she blows the dick, which is positioned in front of the camera, deeper and deeper. A bit of dick/tit slapping happens to get the circulation jump started, and she pokes her nipples straight into the head of his dick, erotically teasing him (and us) until the tit fuck begins, and her very pliable, all natural breasts enable the cock to go deep into her never-ending breast flesh.

Next up, they are shown in a side shot as the guy gets her doggy style. Her monster hooters dangle from her body and sway to their rocking motion, making a perfect target for viewers who wish they could reach out and grasp these swinging hunks of tit.

Big-boob camera emphasis and close-ups take advantage of the way they shake and move in this hanging position, and any viewers who enjoy top-heavy black babes will find themselves clenching and unclenching their hands in rhythm to her movements.

This is followed by a view from many angles as Chaka T. rides the guy on a bed which must be equipped with industrial-strength bed springs. He then

With tits like Chaka T.'s on *Black & Stacked Xtra #3*, it's no wonder the video is a tit-fucker's dream cum true!

puts her on her side giving us a better viewing angle. This also makes it easier for him to play with her boobs, which he does enthusiastically.

It should be noted that, by now, Chaka T. has pretty much gone from being very talkative to being only capable of mostly moaning and groaning and occasional words of encouragement. No wonder? She gets nailed piston-styloe. She then yells that she is cumming, and her happy smile tells the tale that it really happened.

She regains some energy and her vocabulary, as she does her best to titfuck the gut to completion. It almost happens this way, but instead he takes matters in hand and shoots the works all over her chest.

Chaka T., for the record, has that perfect shape which big-boob lovers like in a woman. The slight, natural sag due to weight and gravity is what fans of naturally busty women cherish. Once they see these beauties, they will be hooked and instant fans.

SCENE FIVE: THREESOME WITH CASSITTY AND AFRICA

Cassitty, who appeared in the first scene, returns in the last segment. This time she is seen with Africa and a nearby dude who is sitting in a chair jacking off slowly as the gals play with each other's still-covered big breasts.

The tops soon come off and girl/girl oral attention is what these topless gals revel in for their viewer. They have fun with their fondling, and they actually are able to suck each other's breasts at the same time. Nipples quickly become extended and their headlights pop from the tongue action.

Cassitty and Africa bounce around on the bed, shake and rub their boobs together, and get in more fondling than anyone could ever imagine or wish for this side of a dairy farm.

The guy, still just sitting there, talks to them throughout and prompts them with various ideas. They begin with some loving 69 action and more erotic breast squeezing.

Have you ever looked into a mirror and seen an object at the edge of the reflection where it looks like it is doubled with the real part next to the reflection? There is one shot here where one girl is lying on top of the other, boobs mashed together, and the angle from the head makes it look like one person

leaning into a mirror.

Marvelous.

Time for some threesome action. The guy lies back on the bed and gets a dual blowjob from these friendly females. They stroke and suck him together, share and share alike, and the guy has to be thinking of depressing things like world famine to mentally force himself to avoid shooting at this time. He deserves a lot of credit for this lack of emission. They titfuck him, jack him, and suck him and even deep throat isn't enough to get him to pop.

Change positions.

He goes down on Africa, then sticks his dick in this reclined lady as Cassitty, sitting on her, strikes her nipples against Africa's pussy. He then pulls Cassitty closer and changes the dick destination from Africa's mouth to Cassitty's pussy. Close-ups emphasize the insertion.

A few more shifts to make things more comfortable find him getting one lady from the side as the other mouths and plays with all four of the big breasts which are now one jumble of mammary madness. Cassitty then rides him while Africa stands above them both and stuffs her boobs into her mouth and pounds them back and forth across her face.

Everything then becomes a sweaty blur and many positions are assumed. Cassitty brings out a vibrator which she uses on Africa as Africa blows him.

The final pop shot is an incredible sight. The camera shoots down, showing the two girls rubbing their breasts together, as he coats them both with globs of guy gravy and gets a double titfuck. The girls don't just wave their hands good-bye at the finish–they wave their awesome boobs instead. It is much more effective.

And, because nobody can ever get enough of Africa and Cassitty, the DVD has bonus interviews with each girl.

Bottom line: Anyone looking for a fantastic hardcore tape featuring very busty black women in some truly raunchy XXX, you can stop your looking. Here it is!

MARCH '04 NEWCOMER CARMEN GIVES A LICKING AND KEEPS ON FUCKING!

You know what they say about chicks? Give them that first good fucking and that's all they can think about. They become obsessed and want more and more and more until...*shazam*...you have yourselves a nympho. Actually, that's not us speaking, it's Carmen. Best of all, her sex acts speak even louder than her words.

Feliz

Carmen debuted solo in the March '04 *SCORE*, after which readers were talking about her as a lock for the 2004 Newcomer of the Year award. Then, in the May '04 *SCORE,* Carmen's XXX hardcore video debut, *Hard SCORE*, came out, and we all saw her fuck like the horny bitch-in-heat that she is. Now, Carmen's back with her hardcore debut pictorial and her encore fuck flick. Turn to page eight of this month's *SCORE Xtra* for a review by the legendary video reviewer "Dirty Bob" of *Black & Stacked Xtra #3*, a video he calls a "must-see," especially Carmen, a lady Dirty Bob told us he could watch for hours. The man has been reviewing videos for years, so when Dirty Bob says Carmen is an "utter delight to watch" in hardcore, you can take that one to the sperm bank because you'll cum buckets!

A nursing student who doubles as an adult entertainer, Carmen told us when she first came into our studio that she wanted to see if she could be the best porn star ever. Carmen promised us that once we saw her fuck, we would know that when she said she's one of the best, she wasn't exaggerating. With two videos, and who knows how many more on the way, we have to admit–exaggeration? Fuck that. Carmen was actually being humble!
